

The figure displays two rows of ten dot patterns each, representing the digits 0 through 9. The top row shows a standard 7-segment display style, while the bottom row shows a more complex, stylized version. Each digit is formed by a specific arrangement of dots.

## La région Pays de la Loire : les préfectures

A 3x10 grid of dots forming a stylized drawing of a person with arms raised in a 'V' shape.

The figure consists of two 3x3 grids of dots. The left grid has dots at positions (1,1), (1,2), (1,3), (2,1), (2,2), (2,3), (3,1), (3,2), and (3,3), with the dot at (2,2) missing. The right grid has dots at positions (1,1), (1,2), (1,3), (2,1), (2,2), (2,3), (3,1), (3,2), and (3,3), with the dots at (1,2) and (2,2) missing.
